

DETAILED CONTENTS

<i>Preface</i>	<i>iii</i>
<i>About the book</i>	<i>v</i>
<i>About the Author</i>	<i>vii</i>

Chapter 1: Introduction to Management and Organization **1**

Management	1
Organization	4
Efficiency, Effectiveness & Productivity	4
Productivity	5
Management Functions	6
Management Process	7
Planning	8
Outlook of Plan	8
Foundation of Plan	8
Consequence of the Planning Process	8
Ground Rules of Planning	9
Character of Planning	9
Merit of Planning	10
Borders of Planning	11
Necessities of a Good Plan	11
Segments of Planning	12
Vision, Mission, Goals and Objectives	12
Vision	12
Mission	12
Goals	13
Objectives	13
Categorization of Objectives of Business	14
A. Economic Objectives	14
B. Social Objectives	15
C. Human Objectives	16

D. National Objectives	17
E. Global Objectives	17
Diverse Aims and Objectives	18
Ethical and Socially Responsible Objectives	18
Health Care and Education Establishments	18
Charities and Voluntary Organizations	18
Altering Objectives	18
Values	19
Organizing	19
Identification of Activities	19
Departmentally Organizing the Activities	19
Classifying the Authority	19
Co-ordination between Authority and Responsibility	20
Staffing	20
Directing	21
Controlling	22
Uniqueness of Controlling Function	22
Scheming Useful Control Systems	23
Coordination — the Spirit of Managership	23
Executive Duty	24
(a) Interpersonal Position	24
(b) Informational Position	25
(c) Decisional Position	25
Management Talent	25
Technical Talent	25
Human Talents or Interpersonal Talents	26
Conceptual Talents	26
Time Management Talents	26
Diagnostic Talents	27
Decision-making Talents	27
Communication Talents	27
Transferability of Talent Across Organizations	27
Organizations Call for Administrators	27
Levels of Management	28
Top Managers	28
Middle Managers	28
First-line Managers	29
Personality of Managers	30
Act with Truthfulness	30
Being Accountable	30

Reasonable	30
Steadiness	30
Softness	30
Honesty	30
Determination	31
Rewards and Challenges of Manager	32
Challenges	32
Moment Limitations	32
Employee Scarcity	33
Rewards	33
The Authenticity of Work	34
The Universality of Management	34
Doctrine of Management	34
Management: Science or Art?	35
Science Standpoint	36
Art Point of View	36
Art and Science in Management Schooling and Expansion	37
Management by Objective (MBO)	38
The Supervisor-employee Involvement	39
1. Structuring Trust	39
2. Structuring Interes in Workers	39
3. General Vision of Corporate Goals	39
Management by Exception (MBE)	39
Management by Walking Around (MBWA)	41
Merits	41
Management by Strengths (MBS)	42
Management by Process	42
Management by Values	42
Value Engineering	42
Review Questions	43
Business Case	44
Questions	44

Chapter 2: History of Management

45

Premature Thinking about Management	45
Antique Indian Wisdom for Management	45
Ideology of Ancient Indian Management	46
Team Work or Yagna	46
Stress Management	47
Origin of Stress	48

End Result of Stress	48
Time Management	48
Panic Management	49
Management Lesson from Ramayana	49
Management Education as of Mahabharata	49
Takshashila University	50
Machiavelli & Sun Tzu	51
Management Theory	51
Industrial Revolution	52
The Factory System	52
Division of Labour	53
Other Significant Developments	53
Adam Smith: The Economics of Entrepreneurship	54
Classical Organization Theory School	55
Henri Fayol - Theory of Administration (1841-1925)	55
14 Principles of Management by Fayol	55
The Scientific Management School	56
Scientific Management Theory (1880-1940)	56
Essentials of Scientific Management	58
Taylorism (1929)	58
Contributions of Scientific Management Theory	58
Boundaries of Scientific Management Theory	59
Henry L. Gantt (1861-1919)	59
The Gilberts (1868-1924 and 1878-1972)	59
Bureaucratic Management Theory (1930-1950)	60
Max Weber (1864-1920)	60
Weber's Study of Bureaucracy Concerns	60
A Bureaucratic Executive	61
Criticize	61
Mary Parker Follett (1868-1933)	62
Chester I. Barnard (1886-1961)	62
Quantitative School of Management	63
Operations Management	63
Management Information Systems	63
Systems Management Theory	64
Quantitative Techniques	65
Decision Analysis (DA)	65
Linear Programming (LP)	65
Application of Linear Programming	66
LP Network Models (Transportation and Transshipment Models)	66

Integer Programming	67
Network Models for Project Scheduling (PERT & CPM)	67
Critical Path in Project Plan Network	68
Simulations	68
Decision Trees	68
Payback Analysis	68
The Significance of Quantitative Methods for Executives	69
The Behavioral School	69
Explanation	69
Surroundings	70
Successes	70
Human Relations Movement (1930-today)	70
Quality Concepts & Human Relations Theories	70
Human Relations to the Behavioral Science Approach	71
McGregor: Theory X, Theory Y	71
Theory Z	73
Theory Z as an Approach to Management	74
Holistic Apprehension	75
Assessment of Theory Z	76
The Management Science School	76
The Systems Approach	77
Systems Thinking	77
Systems View	77
Several Key Concepts	78
Hierarchy of Needs (1954)	79
Physiological Needs	79
Safety Needs	80
Social Needs	81
Esteem	81
Self-actualization	81
1970's adapted Hierarchy of Needs Model, including Cognitive and Aesthetic Needs	81
1990's Adapted Hierarchy of Needs including Transcendence Needs	82
Acceptance	82
The Contingency Approach	83
Contingency Theory	83
Incoming an Era of Dynamic Engagement	83
In Search of Excellence	84
Current Developments in Management Theory	85
Knowledge Management & Organizations	85
Knowledge Management in the 'Aged' Information Era	85

Emotional IQ	86
Review Questions	87
Business Case	88
Question	88

Chapter 3: Organizational Design and Structure **89**

Organizational Design	90
Organizational Design - Fundamental Structure	91
Organizational Design & Structure Criteria	91
Core Competencies	92
Recognizing Core Competencies	92
Technology, Information and Systems Component	92
Organization Communication	92
Organizational Efficiency Constituent	93
Organizational Re-design	94
Justification of Trouble-free Organizational Structure	94
Designing a High-quality Organizational Structure	94
Organizational Structure Types	95
Traditional or Classical Organization Structures	95
Bureaucratic Structures	96
Functional Structure	97
Potency of Functional Structure	98
Weak Point of Functional Structure	98
Divisional Structure	98
Variety of Divisional Structure	99
Power of Divisional Structure	99
Failing of Divisional Structure	100
Modern Organization Designs	100
Project	100
Matrix Structure	101
Problems of Matrix Organisations	102
Adhocracy Structures	103
Flat Structure	104
Incentive of Flat Structure	104
Drawbacks of Flat Structure	104
Team	105

Form of Teams	105
Mixed Structures	106
New Kind of Team	107
Self-managed Teams	107
Network	109
Dynamic Network	109
Stable Network	110
Internal Network	110
Market Networks	110
Boundaryless Structure	110
Virtual Organizations	110
The Past of Virtual Organizations	111
Decide the Organizational Design and Structure	111
Philosophy of Organizational Structure	112
Specialization	112
Coordination	112
Departmentalization	113
De-centralization and Centralization	114
Form of Decentralization	115
Political Decentralization	115
Administrative Decentralization	115
Monetary Decentralization	116
Market or Economic Decentralization	117
Mainly Suitable Appearance of Decentralization	117
Line and Staff Relationships	118
Review Questions	119
Business Case	120
Organizational Structure & Designing the HRD Program at Ranbaxy Laboratories Limited	120
Question	120

Chapter 4: Organizational Culture and Environment 121

Organizational Culture	123
Mode of Organization Culture	124
Corporate Culture	125
Business Culture	125
Interpersonal Interaction Model	125
Risk & Feedback Model	126

Observing Culture	126
Corporate Culture as a Barrier	126
Line up Culture for Accomplishment	126
Obligatory of Sturdy Leadership	127
Organizational Change	127
Resistance to Change	127
Points of Leverage	128
The Boom of Organizational Culture	128
Values	129
Beliefs and Assumptions	129
Application of Organizational Culture	129
Fusion of Subcultures	130
Cultural Outline as Connecting Mechanisms	132
Organizational Culture Change	132
Hierarchy in Organizational Culture Change	132
Plan the Desired Organizational Culture	133
Transform the Organizational Culture	133
Additional Ways to Change the Organizational Culture	134
Organizational Environment	136
The Internal Environment	136
The External Environment	137
The Environmental Domain	138
Uncertainty & Environment	139
Environmental Intelligence	139
Settle into External Environment	140
Controlling the External Environment	140
Organizational Climates	140
Organizational Complexity	141
Review of Organizational Complexity	142
Organization and Uncertainty	143
Organizational Cognition	144
Order of Organization Cognition	144
Ten Principles of Organizational Cognition	145
Review Questions	146
Business Case	147
Beta Pvt. Ltd. - Decision Making	147
Question	147

Chapter 5: Social Responsibility and Managerial Ethics 149

Organizational Venture Holders	149
The Morality of Capacity to Endure & Normal Environment	150
Outlook of Social Responsibility	150
Merits of Social Responsibility	151
Demerits of Social Responsibility	152
1. To Increase Reputation of Society	152
2. Business Legal Obligations	152
3. More Public Expectation from Business	152
4. Business has Useful Resource	152
5. Better Environment from Business	152
Disagree with Social Responsibility	152
1. Cost of Social Works	152
2. Businessman is not Expert in Social Work	152
3. Social Responsibility is not Legal Responsibility	153
4. International Competition	153
5. Ignore Business Aim	153
Corporate Social Responsibility (CSR)	153
Precedent of Corporate Social Responsibility	154
Calculate Corporate Social Performance	155
Economic Responsibilities	155
Legal Responsibilities	156
Ethical Responsibilities	156
Discretionary Responsibilities	156
Directing Company Ethics & Social Responsibility	156
Principled Leadership	157
Organizational Structures and Systems	157
Ethical Confront in Current Era	159
Economic Performance	159
Social Entrepreneurship	159
Values & Ethics	160
The Character of Values and Ethics	160
Values Offer the Source for Judgments	161
Value Based Management (VBM)	161
Not Methodology	161
The Value State of Mind	162
Purpose of Shared Values	163

Launching Shared Values	163
Corporate Values	163
Genuine	163
Exceptional	163
Innovative	163
Involved	164
Characteristic Disturbing Ethical Deeds	164
Cheering Ethical Behavior	164
Commonly Considered Moral	165
The Public Dependence	166
Basic Honesty & Conformity to Law	166
Conflict of Interest	167
Service Orientation & Procedural Fairness	167
The Ethic of Democratic Responsibility	167
The Ethic of Public Policy Determination	167
The Ethic of Compromise & Social Integration	168
Ethics in Practice	168
Characteristic for Ethical Decisions	169
Ethical Answer	169
Voice	170
Loyalty	170
Edifice an Ethical Climate	171
Administrative Ethics	171
Managerial Ethics & Social Responsibility	172
Review Questions	175
Business Case	176
Nanji Karia and Oswal International	176
Question	176

Chapter 6: Introduction to Marketing Management 177

More Definitions of Marketing	178
Marketing Function	179
The Traditional and Integrating Functions of Marketing	180
The Four P's in Marketing	180
Different Concepts of Marketing	181
Production Concept of Marketing	182
Limitations	182

Product Concept of Marketing	182
Limitations	182
Selling Concept of Marketing	183
Limitations	183
Marketing Concept of Marketing	183
Societal Concept of Marketing	183
Holistic Concept of Marketing	184
Relationship Marketing	184
Integrated Marketing	185
Internal Marketing	186
Social Responsibility Marketing	186
1. Legal Behavior	187
2. Ethical Behavior	187
3. Social Responsibility Behavior	187
4. Cause Related Marketing	187
5. Social Marketing	188
Marketing Demand	188
Method of Demand Forecasting	189
Assumptions about Forecasting	189
Genius Forecasting	190
Trend Extrapolation	190
Consensus Methods	191
Simulation Methods	191
Cross-impact Matrix Method	192
Scenario	193
Decision Trees	193
Complexity in Forecasting Machinery	194
Defining a Constructive Forecast	194
Forecasts Generate the Prospect	195
The Moral Values & Forecasting	196
Unaided Judgment	197
Delphi Technique	197
Prediction Market	197
Game Theory	198
Condemnatory Bootstrapping	198
Simulated Interaction	198
Intentions and Expectations Surveys	199

Conjoint Analysis	199
Expert System Method	199
Methods that Count on Quantitative Data	200
Discrete Event Simulation	200
Extrapolation	200
Quantitative Relationship	201
Rule-based Forecasting	201
Neural Networks	201
Data Mining	201
Data Mining Solutions for Business	202
Financial Market	202
Banking	202
Database Marketing	202
Supply Chain Management (SCM)	202
Marketing Strategies	203
Sales Forecasting	203
Fraud Detection and Prevention	203
Causal Models	203
Survey of Buyers' Intentions	204
Sales Force Opinion Method	205
Expert Opinion Method	206
Market Test Method	206
Time Series Analysis	207
Methods of Time Series Analysis	208
Trend Analysis	208
Smoothing	208
Corresponding a Task	209
Analysis of Seasonality	209
Autocorrelation Correlogram	209
Investigative Correlogram	209
Partial Autocorrelations	209
Statistical Demand Analysis	209
Market Segmentation	210
Circumstance for Go for Segmentation Basis	210
Market Segmentation & Profit Maximization	210
Techniques of Market Segmentation	211
Cluster Analysis	211
Conjoint Analysis	211

Regression Trees	211
Discriminant Analysis	211
Objectives of Market Segmentation	212
Consequence of Market Segmentation	212
Better Matching of Customer Needs	212
Enhanced Profits for Business	212
Better Opportunities for Growth	212
Retain More Customers	212
Target Marketing Communications	213
Expand Allocation of the Market Segment	213
The Process of Market Segmentation	213
Steps of Market Segmentation	214
Recognize Target Markets	214
Accepting the Value Required by Target Market	214
Understanding Competitor Value Positioning	214
Foundations of Market Segmentation	215
Demographics	215
Product Usage	215
Socioeconomic Characteristics	216
Psychographics	216
Generation	216
Geography	216
Geo-demographic	216
Market Segmentation	217
Two-stage Market Segmentation	217
Decision-making Stage	218
Supply Chain Point	219
Marketing Research	220
Facial Appearance of Marketing Research	221
Objectives of Marketing Research	222
Magnitude of Marketing Research	222
The Process of Marketing Research	223
Merits of Marketing Research	224
Boundaries of Marketing Research	225
Advertising	226
Objectives of Advertising	226
Facial Appearance of Advertising	227

Functions of Advertising	227
Criticism of Advertising	228
Review Questions	229
Business Cases	230
Case 1: Big Bazaar – Direction to the Indian Crowded Market	230
Company Background	230
The Strategy	230
Market Environment	231
Right Location	231
The Commodities Mix	231
Organization Structure	232
Information Technology	232
Questions	232
Case 2: Radiance Industries Limited	233
Question	233

Chapter 7: Introduction to Financial Management **235**

Key Managerial Requirements	235
Cash and Equivalents	236
Accounts Receivable	236
Inventories	236
Accounts Payable and Trade Notes Payable	236
Notes Payable	236
Accrued Expenses and Taxes Payable	237
Definitions of Financial Management	237
Main Features of Financial Management	238
Nature of Financial Management	238
Key Elements to the Process of Financial Management	239
Financial Planning	239
Importance of Financial Planning	239
Tax Planning	240
Financial Control	241
Financial Decision-making	241
Scope of Financial Management	241
Financial Management in New Companies	241
Financial Management in Old Companies	242

Financial Management in NGO	242
Approaches of Financial Management	242
Traditional Approach	242
Limitations	243
Modern Approach	243
Functional Areas Covered in Financial Management	244
Determining Financial Need	244
Choosing the Sources of Fund	244
Financial Analysis and Interpretation	244
Cost-volume Profit Analysis	245
Working Capital Management	245
Dividend Policy	245
Capital Budgeting	245
Objectives of Financial Management	245
Profit Maximization	245
Wealth Maximization	246
Functions of Finance	246
Component Parts	247
Concrete Components	247
Technology	247
Soft Components	248
Classification of Finance Functions	249
1. Investment Decision or Long-term Asset Mix Decision	250
2. Finance Decision or Capital Mix Decision	250
3. Liquidity Decision or Short-term Asset Mix Decision	251
4. Dividend Decision	251
Financial Accessories	252
Aims of Finance Function	253
1. Acquiring Sufficient and Suitable Funds	253
2. Proper Utilization of Funds	253
3. Increasing Profitability	253
4. Maximizing Firm's Value	253
Financial Management and Role of Financial Manager	253
1. Establishing Asset-Management Policies	254
2. Determining the Allocation of Net Profits	255
3. Estimating and Controlling Cash Flows and Requirements	255
4. Deciding upon Needs and Sources of New Outside Financing	255

5. Checking upon Financial Performance	256
Methods of Financial Management	256
Other Role of a Finance Manager	256
1. To Reduce the Misuse of Funds	256
2. To Maximize the Profit in Long Run	257
3. To Maximize the Wealth of Company	257
4. To Fulfill the Social Responsibility	257
Introduction to the Concept of Capital Structure	257
Factors Influencing Capital Structure	258
Diverse Sources of Finance	260
Sources of Finance Model A	260
Sources of Finance Model B	261
Sources of Finance Model C	262
Internal Sources	262
External Sources	262
Review Questions	263
Business Case	264
Luv-Kush & Sons	264
Question	264

Chapter 8: Introduction to Human Resource Management

265

Evolution of Human Resource Management	266
Nature of Human Resource Management	266
Scope of Human Resource Management	267
Beliefs of Human Resource Management	267
Objectives of Human Resource Management	267
Functions of Human Resource Management	268
Influencing Factors to the Human Resource Management	268
Vision of Human Resource Management	269
Consequence of Human Resource Management	270
The Changing Field of Human Resource Management	272
Small Business and Human Resource Management	272
Manpower Planning: Concept, Features and Objectives	273
Purpose of Manpower Planning	274
The Basic Unit of Manpower Planning	274
Manpower Planning Inputs	274
Manpower Planning Fallout	275

Importance of Manpower Planning	275
Efficient Utilization	275
Key to Managerial Functions	275
Motivation	275
Higher Productivity	276
Better Human Relations	276
Necessity of Manpower Planning	276
Manpower Planning Process	276
Merits of Manpower Planning	277
Tree in Manpower Planning	277
Cause which Affect the Competence of Labor	277
Downsizing of Manpower	278
Manpower Forecasting	278
Performance Appraisals	279
Compensation and Benefits	280
Training and Development	280
Employee and Labor Relations	281
Safety and Health	282
The New Roles of the Human Resources Professional	282
Strategic Partner	282
Change Champion	283
Employee Advocate	283
Importance of HRM in Modern India	283
Human Resource Management Picture in India	285
Value of Perception	286
Span of HRM	287
Factors Affecting Span of Control	288
HR Planning – Job Analysis, Description and Specification	288
Recruitment	288
Selection	288
Orientation	289
Training	289
Development	289
Performance Appraisal and Promotion	289
Promotion	290
Compensation and Motivation	290
Transfer	290
Demotion and Separation	290
Recruitment	291
Sources of Recruitment	292

External Sources of Recruitment	292
1. Press Advertisements	292
2. Educational Institutes	292
3. Placement Agencies	293
4. Unsolicited Applicants	293
5. Labor Contractors	293
6. Employment Exchanges	293
7. Employee Recommendations	293
8. Recruitment at Factory Gate	293
Sources of Canvassing	293
Types of Canvassing	294
Ground Canvasses	294
Aspirant Canvasses	294
Telephone Canvasses	294
Factors Affecting Recruitment	294
Internal Forces	295
External Forces	295
Recent Trends in Recruitment	296
Outsourcing	296
Poaching/Raiding	297
E-Recruitment	297
Selection	297
Overview of Employee Evaluation and Selection	298
Profile Analysis	299
Improving Employee Evaluation and Selection Process User Guide	299
Selection Process	299
Interviewing	300
Pre Interview Screening & Preliminary Interview	300
Checking References	300
Credit Checks	300
Tests	301
Physical Examination	301
Job Offer	301
Review Questions	301
Business Case	302
NRI or Nationals Deployed Employees	302
Questions	302

Chapter 9: Introduction to Production Management 303

Production System	304
Classification of Production System	304
Job Shop Production	304
Batch Production	305
Borders	306
Mass Production	306
Limitations	307
Continuous Production	307
Production Management or Operations Management	308
Definition	308
Product	309
Plant	309
Processes	310
Programs	310
People	310
Purpose of Production Management	311
1. Right Quality	311
2. Right Quantity	311
3. Right Time	311
4. Right Manufacturing Cost	311
Aspects of Product Management	311
Product Planning	312
General Principles	312
Inherent Safety	313
The Dow Mond Indices	313
Domino Effects	313
Fire	314
Explosion	314
Toxic Gas Releases	314
Reduction of Consequences of Event On and Off Site	315
Positioning of Occupied Buildings	315
Aggregation/Trapping of Flammable Vapors	315
Concept of Operations	315
Distinction between Manufacturing and Service Operations	316
Objectives of Operations Management	316

Customer Service	316
Resource Utilization	317
Span of Production and Operations Management	317
1. Location of Facilities	318
2. Plant Layouts and Material Handling	318
3. Product Design	318
4. Process Design	318
5. Production and Planning Control	319
6. Quality Control	319
7. Materials Management	320
8. Maintenance Management	320
Factors Affecting Location	320
Plant Layout and Material Handling	321
Definitions	321
Material Handling	321
Facility Layout	321
Product Layout	322
Advantages of Product Layouts	323
Disadvantages of Product Layouts	323
Suitability	323
Process Layout	324
Advantages	324
Disadvantages	324
Suitability	325
Fixed-position Layout	325
Advantages	325
Disadvantages	326
Suitability	326
Combination Layouts	326
Cellular Layout	326
Advantages	327
Other Layouts	327
Factors Affecting Plant Layout	328
Process Design	329
Break-even Analysis	329
The Break-even Chart	329
Fixed Costs	330

Variable Costs	330
Semi-variable Costs	331
Introduction to the Concepts of Material Management	331
Inventory Control	332
Significance of Inventory Control	333
Inventory Management/Control Techniques	334
Inventory Orders	334
Stock Continuance	334
Price Stages	335
Count Methods	335
Trend Analysis	335
Various Methods of Inventory Control	335
JIT	335
Economic Order Quantity	336
Safety Stock	336
Min-Max Technique	336
Two-Bin Technique	337
ABC Analysis	337
Order-cycling Technique	337
V.E.D. Analysis	338
Inventory Turnover Proportion	338
Contemporary Inventory Management Techniques	338
Fixed Order Quantity Model	338
Fixed Order Gap Model	339
Single Period Model	339
Perpetual inventory Model	339
Review Questions	339
Business Case	340
Sky-scraping Tech – Sky-scraping Dread	340
Questions	340

Chapter 10: Introduction to Strategic Management 341

Connotation of Strategy	341
Definitions of Strategy	342
Rudiments of Strategy	343
The Evolution of the Concept of Strategy	344
Levels of Strategy: Some Explanation Distinctions	344

Corporate Level Strategy	345
Corporate Portfolio Analysis	345
Corporate Grand Strategies	347
Growth Strategies	347
Stability Strategies	347
Retrenchment Strategies	347
Business Unit Level Strategy	348
Generic Strategies by Michael Porter	349
Functional-level Strategies	350
Strategy Implementation and Realization	350
Strategy Realization: Essential Elements	351
1. Strategy into Action	351
2. Motivational Leadership	351
3. Performance Management	351
Role of Strategists	352
Measuring the Effectiveness of the Organizational Strategy	352
General Approaches	352
(a) The Marketing Revolution	352
(b) Gaining Competitive Advantage	353
Organizational Strategy – Vision, Mission, Competitive Advantage	353
Vision of the Organization	354
Defining Vision	354
Mission of the Organization	355
Understanding Mission	356
Formulation of Mission Statements	356
Mission Statement	357
Steps of Developing Effective Mission Statements	357
Characteristics of a Mission Statement	358
Mission Statement Criteria	358
Content of Mission Statement	358
Vision v/s Mission	359
Strategic Management	359
Definitions of Strategic Management	360
History of Strategic Management	361
Span of Strategic Management	362
Critical Tasks of Strategic Management	362
Objectives of Strategic Management	363

Charge the Effectiveness of the Organizational Strategy	363
Principles of Strategic Management	363
Significance of Strategic Management	364
Strategic Management & Corporate Social Responsibility	364
Stakeholder Management & Corporate Social Responsiveness	365
Management by Objectives	366
Unique Features and Advantage of the MBO Process	366
Core Concepts	366
Managerial Focus	367
Main Principle	367
Uses of MBO	367
Difference between Strategic and Operational Plans	367
Strategic Planning	367
Operational Planning	368
Review Questions	368
Business Case	369
Indian Business Woman – Chanda Kochar	369
Questions	370

Bibliography **371****Index** **375**
