Elements of ISO 9000	262
Benefits of ISO 9000 Standards	264
Observed Benefits	265
Activity & Scope	267
Quality Systems Documentation	268
Quality Manual	269
Quality Procedures	269
Work Instructions	269
Forms and Records	270
Documents Approval	270
Documentation Benefits	270
QS 9000 Initiatives in India	271
Need for QS 9000	271
Structure of QS 9000	271
Requirements of QS 9000 in Addition to ISO 9001	273
ISO 9000 in India	273
ISO 9000 Implementation – Worldwide	274
Limitations of ISO 9000	276
Summary	277
Review Questions	278
References	278

CHAPTER 17: Quality System Audit 279

Introduction	280
Use of Quality Audit	280
Features of Quality Audit	281
Purpose of Quality Audit	281
Catagories of Quality Audit	282
First Party Audit	282
Second Party	282
Third Party Audit	283
System Audit	283
Process Audit	283

Product Audit	283
Adequacy Audit	283
Compliance Audit	284
Quality Audit Planning	284
Human Relationship in Auditing	285
Ingredients of a Quality Audit	285
Common Non-conformities	286
Summary	287
Review Questions	287
References	287

CHAPTER 18: Environment Management System and Total Quality Control **289**

Introduction	290
International Standards on EMS	291
Action Point for EMS	292
Systems Approach to Environment Management	293
System Requirements	294
EMS Audit	295
Benefits of EMS Certification	296
Integrating with ISO 9000	296
Summary	296
Review Questions	297
References	297
